ORDER CONTINUING TRIAL DATE
AND EXCLUDING TIME UNDER THE SPEEDY TRIAL ACT

The Court granted the Defendant's Unopposed Motion to Continue filed January 23, 2023 (dkt. 28). After reviewing the motion, it is the opinion of the Court that the trial in this case should be and is continued and makes the following amended schedule:

IT IS THEREFORE ORDERED THAT trial of this case, currently set for **Monday, April 3, 2023**, be and hereby is continued.

The deadline for notifying the court of any **plea agreement** entered into by the parties in this cause is **Thursday, May 11, 2023**. No plea agreement entered into after that date shall be honored by this Court without good cause shown for the delay.

Should a plea agreement be reached and filed in this case and absent written objection filed contemporaneously therewith, please contact the Courtroom Deputy, Magda Muzza at (210) 244-5021 or email Magda_Muzza@txwd.uscourts.gov., for scheduling no later than the plea agreement deadline.

Jury selection and trial are reset for **May 22, 2023 at 09:30 AM** in **Courtroom B**, on the Second Floor of the United States Courthouse,

262 West Nueva, San Antonio, TX. **All pretrial motions, including motions in limine, are due May 09, 2023, responses due May 11, 2023. No pretrial motions will be accepted by the court after said deadlines, without showing good cause for the delay.**

The Court finds that the period between **April 3, 2023, and May 22, 2023**, is a reasonable period of necessary delay to allow counsel to negotiate a plea; and/or to review discovery and the record to date, and to prepare for trial. The Court finds that the interest of justice served by taking such action outweighs the best interest of the public and the defendant in a speedy trial, and further finds that such period shall be excluded from the time within which the defendant must be brought to trial under the Speedy Trial Act pursuant to 18, United States Code, Section 3161(h)(7).

(2) A list disclosing any objection, together with the grounds therefore, that may be made to the admissibility of any exhibits. Objections not so disclosed, other than objections under Federal Rules of Evidence 402 and 403 shall be
